CAYUGA COUNTY
OFFICIAL GUIDE

BRAVE WOMEN

Trailblazers like Harriet Tubman, Emily Howland, and Frances Seward carved out a new future for all of us in this fiercely beautiful region. As the epicenter of the Women's Rights Movement over 100 years ago, the Finger Lakes region celebrates women both past and present. 2020 marked the centennial of the 19th Amendment, which gave women the right to vote. Pay homage to the bold, courageous women who not only made their homes in the Finger Lakes, but also made history here by supporting the women of today who run hotels, manage restaurants, own shops, maintain trails and do everything in between.

HISTORICAL STOPS

Pay a visit to the Harriet Tubman National Historic Park, a partnership park with the Harriet Tubman Home, the site of the equal rights activist and emancipator's home where she lived for her later 50 years! Tour the Seward House Museum to learn how

William Henry Seward's wife, Frances was the strength and inspiration for the abolition and Underground Railroad movements in the household. Next door stop by the New York State Equal Rights Heritage Center, a digitally interactive space celebrating the state's history of movements in civil, women's and LGBTQ+ rights.

Travel south to Sherwood, listed on The National Register of Historic Places as the Equal Rights Historic District. Several of the properties within the district were owned by freed slaves; others by prominent abolitionists and women's rights advocates who sprang from the Quaker faith. Find original women's suffrage posters at the Opendore Project Museum; housed in a portion of the Isabel Howland House. Then, visit the unique Howland Stone Store Museum and find among their cabinet of curiosities a piece of Susan B. Anthony's 78th birthday cake (1898).

WOMEN TRAIL BLAZERS

Harriet Tubman, the Moses of her people and a conductor on the Underground Railroad, settled and remained in Auburn for the latter part of her life. Here she created the Home for the Aged, now part of the Harriet Tubman National Historical Park partnership. Visit Tubman's grave and leave a personal memento at the historic Fort Hill Cemetery in Auburn.

Sisters Georgiana and Caroline Willard commissioned the Tiffany Glass and Decorating Company of NYC to design and handcraft the entire interior of the Willard Memorial Chapel, showcasing their stunning work in stained glass and mosaic tiling. It is the only complete and unaltered totally Tiffany- designed religious interior known to exist in the world. There are also two other Tiffany windows on view in Auburn in the west wing of the Cayuga Museum, where the Willards lived, and behind the altar in the Westminster Presbyterian Church.

On July 13, 1848, Auburnians Lucretia Mott and Martha Coffin Wright attended the first Women's Rights Convention in the United States.

the great OUTDOORS

Adventure types, seize the day with an abundance of outdoor recreational activities including hiking, biking, fishing, boating, swimming, camping and even scuba diving! With three state parks, well-groomed trails, nature preserves and three state forests, the opportunities are many to get out and enjoy the great outdoors.

STATE PARKS

Up north, Fair Haven Beach State Park offers 823 acres on Lake Ontario, with one of the finest public lakefronts in the state. Come explore this diverse landscape ranging from towering shoreline bluffs to 1500' of beautiful sand, beach to hilly woodlands.

To the south on 941 acres, Fillmore Glen State Park is an oasis of cool, dense woods hugging a long, narrow gorge. Its hiking trails offer spectacular views of unique geological formations, five waterfalls and a botanically rich glen. Minutes from wineries, a brewery, Wells College, shops, five star restaurants and historic lodging you will find Long Point State Park. Easy access to the Cayuga Lake shore makes this park a popular spot for paddle-sports enthusiasts and fishermen alike.

PREMIER LAKE PARKS AND HISTORIC BIKE TRAILS

Don't miss out on all the activities available at Emerson Park at the northern point of Owasco Lake, featuring boat launches and slips, a disc golf course, playground, paddle craft rentals and picnic shelters; it is also home to the Merry-Go-Round Playhouse and the Ward O'Hara Agricultural Museum.

To the southeast, Bear Swamp State Forest features 14 miles of multiple-use marked trails designed for family-friendly cross-country skiing, snowshoeing, hiking, horseback riding and mountain biking. Next stop nearby, Bahar Nature Preserve on Skaneateles Lake treats hikers to dramatic views of a 100' deep creek ravine and Carpenter Falls. The trail also includes a 65' crescent of lakeshore, ideal to beach a canoe or kayak before hiking up the ridge trail.

For a historic bike trail, head to the Cayuga County Erie Canal Recreational Trail that runs along a canal tow path manicured for hikers, bicyclists, horseback riders and, in winter, snowmobilers. High points include the magnificent Richmond Aqueduct, the second largest on the Erie Canal.

TRAILS and parks

CAN'T MISS scenic drives

The **Cayuga Lake Scenic Byway** was designated back in 2002 and is an 87-mile loop on the borders of, you guessed it, Cayuga Lake. Some great opportunities to shop and sip lay along this route. You can enjoy not only the beautiful views, make sure you stop in the charming villages of Aurora and Union Springs!

The **Owasco Lake scenic route** is always beautiful, but especially so for taking in the fall foliage. While Owasco Lake is the smallest of the Finger Lakes it has tremendous features that provide access to two parks, Emerson Park in Auburn and Fillmore Glen State Park in Moravia. Along **Route 90** you'll find trails in Montezuma National Wildlife Refuge. Nearby Auburn is chock-full of history, museums and a vibrant downtown district.

Experience water adventure with Audrey Iwanicki, owner of Owasco Paddles; renting paddle boats, boards and kayaks at Emerson Park on Owasco Lake. Audrey is also a sculptor, see her Wheels to Reels sculpture on Exchange Street in downtown Auburn.

FIDO FRIENDLY CAYUGA COUNTY

Ward O'Hara Agricultural Museum – Fido can step back in time to the turn of the century and imagine what life was like as a working farm dog living on the family homestead. On-leash pups only, please.

Long Point, Fillmore Glen and Fair Haven Beach State Parks – dogs are welcome at all of Cayuga County's State Parks as long as they are on a leash and they have a veterinarian's certificate as proof of rabies vaccination. Fido is sure to enjoy the hiking trails and spectacular views at all of our parks.

Lakeside Dog Park located in Emerson Park on Owasco Lake is free and open to the public from dawn to dusk all year round. The dog park includes "All Dogs" and "Small Dogs" sections and recently added doggy playground equipment including tunnels and agility equipment to keep your pup active. A great social gathering place for both dogs and humans.

Owasco Paddles, also in Emerson Park on Owasco Lake, rents canoes, kayaks, and paddleboards and they love having your furry friends join in the fun. They supply doggie life vests of all sizes!

South Street, Auburn Historic Walking Tour – this self-guided tour through Auburn's South Street Historic District is about a mile long and features architectural styles ranging from Greek Revival to Early Republic and Stick-Style. The tour takes you along well-maintained sidewalks through this beautiful residential area and is perfect for a walk with Fido. He is sure to meet many other city dogs taking a stroll along the way. Call the Cayuga County Office of Tourism for a free South Street Walking Tour brochure.

Stay awhile – Cayuga County has many pet-friendly hotels where Fido can stay with you for a small fee. Check out the list of accommodations on tourcayuga.com for pet-friendly properties.

for the BIRDS

Cayuga County is home to 350+ "Life List" birds in the flyways and skyways from north to south and east to west. You may encounter a 3" hummingbird, a 4' tall Great Blue Heron or a tom turkey strutting his stuff for his harem of hens.

Since 1938, the Montezuma National Wildlife Refuge has provided resting, feeding, breeding and nesting habitat for wildlife, waterfowl and migratory birds. Montezuma is situated in the midst of one of the most active flight lanes in the Atlantic Flyway. For a more secluded birding option, explore Dorothy McIlroy Bird Sanctuary, featuring some of the highest breeding bird diversity in the state.

Discovery, inspiration, learning and tranquility await you at Sterling Nature Center. This spectacular 1400-acre site, with two miles of Great Lake shoreline, features glacially formed bluffs with scenic vistas of Lake Ontario. Enjoy nature at its finest by venturing through a flood plain forest on the southern Owasco Lake Inlet. Owasco Flats wetland of large fern and willow marsh supports a large variety of plants and animals unique to the area, including two-dozen species of rare birds. Come here for bird watching, photography, serene fishing and paddlecraft fun.

To help find our birding hot spots and identify many of the birds you will see in Cayuga County, call 800.499.9615 to request the For the Birds guide.

make a SPLASH

There is nothing like a quiet paddle to bring life into perspective and find peace. Canoe, kayak or paddleboard on our lakes and rivers and you'll find complete relaxation. Splashing around in Cayuga Lake, Owasco Lake and the Great Lake Ontario are favorite destinations for summertime activity with easily accessible public beaches. So, don't forget your bathing suit!

FISHING AT ITS FINEST

We have more freshwater coastline than any other county in NYS! With eight lakes, the Erie Canal, plus numerous streams, ponds and tributaries, Cayuga County is home to some of the finest freshwater fishing in the Northeast. On Cayuga and Owasco Lakes, cast a line for Bass, Pike, Trout, Smelt, Carp and more. On Lake Ontario, reel in Pickerel, Walleye, Salmon, Pan Fish and more. In Fair Haven, the charter captains run for Brown Trout in the spring, and trophy Chinook Salmon, Steelhead, Lake Trout and Coho all summer and into early fall. Our dozens of fishing charters, marinas and boat rentals will help you explore the multitude of water-based activities that have made us famous.

Centrally located retailers like Bass Pro Shops in Auburn stock gear, supplies and apparel galore. Up north, shop Screwy Louie's Sports Shop in downtown Fair Haven for all of your angler needs. If fishing is a competitive pastime, participate in the LOC Spring, Summer and Fall Fishing Derbies on Lake Ontario. To find our fishing hot spots and related resources in Cayuga County, call 800.499.9615 and ask for the Fishing Guide.
